

Do you ever wonder how other organisations are dealing with their HR “problems”?

Are the HR “problems” you face normal?

Are your “problems” worthy of seeing a lawyer? Or do you just need assurance?

BAL Lawyers recognise that being a HR Manager, in any organisation, can be a lonely role at times. Knowing whether the HR decisions made by you are “*fair and reasonable*” often requires an understanding of what standards are being applied by your peers in the marketplace. Put another way: is the way you are dealing with your HR problems at odds with other employers? Are you exposing yourself to risk? Are you being taken advantage of?

If you have answered ‘Yes’ to any of the above questions, BAL Lawyers invite you to attend our HR Managers Monthly Breakfast Club.

Come and benefit from the experiences of our lawyers, and your peers, in a relaxed setting.

We look forward to welcoming you!
